Sen. Linares, Art
Senete Bill 816

To whom it should concern:

I work throughout the state of Connecticut and engage many people every day. We often talk politics, many of us agree to bi-partisan support. This for those that support our cause regardless of party affiliation. Most all agree to vote at election time by how those running have during tenure. I urge all involved to keep this in mind when voting on Senate Bill 816.

I can only speak for myself but I am openly campaigning for the passage of this bill.
